Employee Travel**Section 1.8.2****4. GENERAL CONDITIONS****4.1 Travel Time**

For non-exempt (hourly) travelers, requiring travel time to the event on workdays during normal working hours will be counted as time worked. Generally, travel time to the event on City business is limited to the actual dates of a function plus reasonable travel time not to exceed a maximum of twenty-four (24) hours before and/or after the function.

No overtime will be provided for travel time to the event, other than that mandated by the Federal Fair Labor Standards Act ("FLSA") requirements and/or approved Memorandums of Agreement (MOA). Departments must be aware of the FLSA and MOA requirements when arranging for travel for all non-exempt (hourly) travelers. Travel-related overtime in connection with travel on City business requires authorization from the Supervisor for local travel and the Approving Official as part of the approval for the request for travel for in-state, out-of-state, and international travel. Please contact the Office of Employee Relations for further information regarding these requirements. Departments should consult with the Office of Employee Relations prior to approving out of state travel for hourly employees to ensure Departments are aware of all potential costs, including but not limited to, overtime liability.

For in-state, out-of-state, and international travel, upon prior approval by the Approving Official, the employee may stay in advance or stay beyond the time required for business purposes. Such time must be charged to an available leave balance such as vacation, executive leave, personal leave, or compensatory time for the individual traveler. If the extended stay requires the use of the traveler's leave balances, the usage of these leave balances must be pre-approved by the traveler's supervisor.

4.2 Environmentally Preferable Travel Requirements

Travelers shall attempt to reduce the environmental impact of their travel through the following actions:

- 4.2.1 Transportation shall be by commercial airline or public transit whenever appropriate. Use of the most fuel efficient and lowest emission vehicle available.
- 4.2.2 Travelers are encouraged to carpool with others attending the same event and shall consider the use of public transit or shuttle buses.
- 4.2.3 Lodging shall be evaluated to minimize unnecessary travel at the destination and to reduce the impacts of the lodging itself. Before completing a Travel Request, travelers should visit the City's Environmentally Preferable Procurement site at <https://www.sanjoseca.gov/your-government/environment/business-school-resources/for-schools/environmentally-preferable-procurement> to review updated travel recommendations and requirements.
- 4.2.4 At the hotel or any conference site, travelers are encouraged to comply with any voluntary conservation practices.

Employee Travel**Section 1.8.2****4.3 Cash Advances**

Petty Cash may not be used to advance funds for travel.

In general, cash advances are granted for per diem expenses only.

If a cash advance is requested, the cash advance section of the Travel Request must be completed and submitted to the Finance Department at minimum within 15 days prior to departure. Cash advances will not be issued more than 30 days prior to departure. Cash advances will be included in the traveler's paycheck prior to the travel departure date if the Travel Request is submitted within the required timeline. Cash advances will not be provided if the Travel Request is submitted to the Finance Department in fewer than 15 days of departure.

By requesting and receiving a cash advance for an event, the traveler authorizes the City to deduct the amount of the advance from the traveler's wages if a Reimbursement of Travel is not received within the required timeline (see Section 5.7 of this policy). If the advance is less than actual expenses, reimbursement will be included in the traveler's next paycheck after processing of the Reimbursement of Travel by the Finance Department. If the advance exceeds actual expenses, the amount owed to the City will be deducted from the traveler's next paycheck after the Reimbursement of Travel is processed by the Finance Department.
